Anticipated Special Events at the Basilica through 2017

The following is a preliminary plan of the special Masses, feast days, and events at the Basilica from Advent 2016 through calendar year 2017. Each ministry also maintains its own detailed schedule, but this calendar presents primarily the events of wider significance to the parish and the public. In the Ministries column, some ministries involved in the event are listed. For recurring Masses and other events (listed in the regular events schedule above), each occurrence is not listed below, but anticipated start/end dates and breaks are given. Masses are listed in bold print. Events listed in light print are sponsored by groups outside our parish. As we have multiple facilities, it is possible for several events to take place at the same time at different locations. The facility use calendar is managed within the parish office.

Schedule is subject to change.
