## Anticipated Special Events at the Basilica through 2019

The following is a preliminary plan of the special Masses, feast days, and events at the Basilica from Advent 2018 through calendar year 2019. This calendar presents primarily the events of wider significance to the parish and the public. Each ministry also maintains its own detailed schedule, and not all activities at the parish are listed in this calendar. In the Ministries column, some ministries involved in the event are listed. For recurring Masses and other events (listed in the regular events schedule above), each occurrence is not listed below, but anticipated start/end dates and breaks are given. Masses are listed in bold print. *Events hosted by our Hispanic community are listed in italics.* Events listed in light print are sponsored by groups outside the parish. As we have multiple facilities, it is possible for several events to take place at the same time at different locations. The facility use calendar is managed within the parish office.

**Schedule is subject to change.** Our All Saints Academy redevelopment project may begin in 2019. Adjustments to the schedule may need to be made, and this may involve postponing or relocating some events.
