

New St. Cecilia Classroom at The Basilica of Sts. Peter and Paul!

As a minor basilica, the Church gives us the privilege and responsibility of fostering the fine arts in our community. Due to the growing demand for music classes at the Basilica, we are taking stewardship of our space at All Saints Academy and preparing a new *St. Cecilia Classroom* dedicated to music and the arts. Thanks to the hard work of our staff and donations from dedicated parishioners, we will be able to start using the new classroom this fall semester.

- Our organist and music teacher, Andrea Tierney, will be offering private piano lessons in the St. Cecilia classroom for this coming school year!*
- Private organ lessons are also available.*
- Lessons for other instruments may be arranged with other parish teachers.*
- Watch for announcements about group music classes for adults that will be hosted in our new St. Cecilia Classroom.*
